

AROOSTOOK *House of Comfort*

To Our Valued Community of Supporters,

As we enter this season of reflection and gratitude, we are honored to share with you the launch of our very first Fall Giving Campaign. This initiative is an invitation to include the Aroostook Hospice Foundation in your annual charitable giving. Every gift, no matter the size, makes a meaningful difference. Together, we ensure that compassionate end-of-life care remains available for our neighbors, friends, colleagues, family members, and loved ones right here in Aroostook County.

As the only inpatient hospice home serving Northern Maine and one of just four in the entire state, the Aroostook House of Comfort holds a vital role in our region. Your generosity sustains this mission, allowing us to provide comfort, dignity, and care for patients and their families when it matters most.

Your donations touch every part of our work: from funding our Charity Care program for families in financial need, to keeping our home and grounds a safe and welcoming space, to offering patients and their caregivers the personalized support and resources that make the hospice journey a little lighter. Because of you, the Aroostook House of Comfort is not just a building, but a place of healing, hope, and community.

We are deeply grateful to everyone who makes this mission possible, including our generous donors, the skilled and compassionate Northern Light Home Care and Hospice staff, our dedicated volunteers, our committed board members, and the greater community whose love surrounds and sustains us. We are humbled and inspired by the support we have received throughout this past year.

A special thank you goes to the Nelson family for courageously sharing their story in this appeal. Their words reflect the true impact of the care provided within our walls and serve as a reminder of why this work matters so deeply.

As we begin this Fall Giving Campaign, we ask you to consider making a gift today. Your generosity will directly sustain compassionate care, provide hope for families in need, and ensure that the Aroostook House of Comfort remains strong and available for generations to come. Together, we can continue to make a lasting difference in the lives of those we serve.

With heartfelt gratitude,

Abbey Clair, Executive Director
Aroostook Hospice Foundation

"The Aroostook House of Comfort gave our family a place of comfort and support during the most difficult time of our lives. Garry battled colon cancer for three years at home before needing extra care. The House of Comfort was suggested to us by one of Garry's doctors. I had never been to House of Comfort, but friends and family members who had visited had a very positive experience. The morning we walked through the front door, we felt a sense of ease. The Aroostook House of Comfort offered us a warm and loving atmosphere. The staff and volunteers not only cared for all of Garry's needs with tenderness, compassion, and respect, but they also cared for the family as well. They would come with a smile, coffee, and fresh-baked cookies or a hug if needed. We appreciated the staff's presence during Garry's final hours. Our family was blessed with the House of Comfort. Our community is blessed to have such a beautiful facility that offers us help in times of need."

- Debbie Nelson
